

# Welcome

to the Children's Museum of Phoenix - *a place that engages the minds, muscles, and imaginations of children and the grown-ups who care about them.* We are glad that you have come to play and learn with us! We hope you enjoy your time in the Museum and you come back to visit us again soon!

## EXHIBIT HIGHLIGHTS

### FIRST FLOOR ATRIUM

#### The Schuff-Perini Climber

This climbing adventure is guaranteed to stretch the muscles, provide a perceived feeling of risk and challenge all to climb to new heights.

#### Whoosh!

A freestanding jumble of connected tubes where children feed scarves in a rainbow of colors into the transparent, air-powered structure.

### SECOND FLOOR

#### Art Studio

A creative workshop with an ever-changing array of hands-on art activities.

#### Building Big (aka Forts!)

Children creatively engineer their own personal forts or contribute to a larger cooperative building project.

#### Pedal Power

Ride a tricycle through our "trike wash!"

### THIRD FLOOR

#### Book Loft

Snuggle in and read a book together in this comfy and cozy space. Storytimes are offered twice daily in the Book Loft.

#### Grand Ballroom

The science of chain reaction is alive in this room full of sights, sounds, noises and action!

#### Ian's Corner

Just for toddlers! Ride a pickle, pencil or toothpaste "car".

#### The Market

Pick it, weigh it, scan it, as you shop for your favorite foods!

#### Noodle Forest

A forest of textural delight for visitors to navigate.

#### Pit Stop

Race to the finish on three levels of racetracks.

#### Place for Under Threes

A sensory celebration for our youngest visitors.

#### Someplace

Fantasy & fun merge in this unique, soft sculpture environment where make-believe creations reside.

#### Texture Cafe

Make your favorite meals using highly tactile and colorful pieces of fabric.
