PROM ROYALTY CONTEST
Adult Prom Night | Saturday, May 18th from 7:00pm-11:00pm

Are you still bitter about not winning the title of Prom King or Prom Queen back in high school? Well now you have another shot at it! We will be hosting a very special coronation ceremony for a deserving Prom King and Prom Queen at 10:30pm on Prom Night, Saturday, May 18th. If you'd like to be considered, or would like to nominate a friend, please do so by **Sunday, May 12th, 2019.**

How it Works
In 250 words or less, tell us why you should take home the crown/tiara. What makes you so awesome? Why would you make a great Prom King or Prom Queen? Maybe your high school prom was a disaster and you want a redo. Or maybe you're just a lot cooler now than you were back then. Whatever the reason, send us those nominations! All nomination requests will be reviewed and narrowed down to 4 ladies and 4 gentlemen who will then be voted on by fellow guests during the event. Your photograph and excerpts from your pitch may be posted on social media and during the event for other guests to consider when voting. If you are nominating someone, and they are selected as a final candidate, we must receive their written or verbal permission for them to stay in the running.

Send your nomination request to jfletcher@childmusephx.org by **Sunday, May 12th** and you just might find yourself in the royal spotlight dance on Prom Night! Depending on the number of requests received, only the final nominees may be contacted prior to the event. And if you're not selected as a nominee or as Prom King or Prom Queen, it isn't that you weren't qualified or didn't deserve it, just remember that some things never change, and after all, it really is just a popularity contest.
