

Dear Scholarship Applicant,

Camp programs at the Children's Museum of Phoenix (CMoP) offer children and their families a fun and educational experience that includes special presenters, hands-on learning, and the opportunity for campers to develop friendships, strengthen social skills and connections, exercise creativity in a safe environment, and engage in risk-taking - all while playing within three floors of imaginative exhibits!

About the Program

Each camp program begins with a "campfire", during which campers are introduced to camp counselors, review camper expectations and begin making friends with other campers. Throughout the week, campers explore various exhibits for exhibit challenges or free-play. Campers also engage in theme-specific curriculum and receive exclusive time in our Art Studio to exercise their creativity and imaginations!

Applicant Criteria

1. Campers must be ages 5-8. Children must turn 5 years of age within one month of the start date of the camp program. The same one-month rule applies to campers that turn 9 before the start of camp.
2. Campers must be potty-trained. No pull-ups.

What is covered?

Each scholarship awarded will include full tuition for a five-day week camp session. The camp program runs from 9:00am-4:00pm, Monday-Friday. A limited number of scholarships will also include early care and after care.

Before applying all interested applicants should be aware of the following information:

- A limited number of spaces are reserved in each camp for campers who receive scholarships. We will do our best to honor your first choice of camp; however, if a camp has filled its scholarship spaces, funds that you were awarded for that camp may be transferred to a different camp of interest (contingent upon availability).
- We welcome you to apply for a scholarship for multiple children; please fill out one application per child.
- Review our Camp FAQs and camp webpage: <http://childrensmuseumofphoenix.org/exhibits-and-experiences/camps/> prior to applying to ensure that Camps at CMoP are the right fit for your child. If you have any questions, please contact Ricardo Bernal by phone, 602-648-2777 or email, rbernal@childmusephx.org.
